Associate Dentist

Description

We are looking for a General Dentist who is looking for a long-term position at our Family and Cosmetic Dental practice. We have a loyal patient family of over 40 years and are fortunate to have a beautiful practice next to Mount Trashmore Park. The position that is currently available is for Monday-Thursday with the potential for Saturdays if desired.

Modern office with digital xrays and dentrix dental software. Privately owned and operated with a low stress atmosphere centered on patient care and employee satisfaction.
